AIMS AND OBJECTIVES OF NIGERIA WOMEN IN INFORMATION TECHNOLOGY

Nigeria Women in Information Technology (NIWIIT) is one of Nigeria's most respected and active technology industry associations and a peak body for women in the technology industry in Nigeria developing a sustainable and growing network of members, sponsors and supporters. NIWIIT aims to support, develop, recognise and promote the achievements of women in the technology industries via relevant events, mentoring, programs, awards and networks. NIWIIT has a commitment to be distinguished as a professional and credible organization.

The Objectives of the NIWIIT shall be as follows:

- 1). Foster unity among Nigerian women in the IT industry through networking.
- 2). To maintain and defend the integrity and right of women in the IT industry.
- 3). To promote professionalism, capacity building and good relationship among members through mentoring.
- 4). To maintain the highest standard of ethics, conduct, virtue, etiquette and discipline among women in the IT industry.
- 5). To engage in any activity and ventures which will promote NIWIIT as well as the welfare of members.
- 6). To create a platform by which women in IT can collaborate with other women in other professions in Nigeria and elsewhere.
- 7). To develop and train members of the NIWIIT through workshops and capacity building programs.
- 8). To create awareness programs for IT related services and products among women in the rural and sub-urban areas in Nigeria, special target groups and students in secondary schools and tertiary institutions.
- 9). To encourage more female participation in the IT profession.
